July 2006

Kid Romeo wins the July Shootout

The July 2006 monthly shootout was held on a hot, sunny, humid Saturday in South Georgia on Independence Day weekend. With sunshine and temperatures climbing to the 90's, the shooting was fast and furious so the match could end by lunch time. All thirteen participants seemed to really enjoy the match, with the five interesting scenarios designed by **Dynomite Don** (VVC#6), **Abbie Oakley** (VVC#25), and **High Ransom** (VVC#13).

We had two new shooters ride in for this match – we certainly appreciate them coming – **Kid Romeo**, who nudged out High Ransom to win the match, and **Triple C. Johnny Guitar** was back for his second match, with a newly picked alias.

Papa Jake (VVC#4), **Dixie Outlaw** (VVC#9) and **Aucilla Fugitive** (VVC#17) showed us some fine shooting – the clean match shooters of the day.

Thanks to **High Ransom**, and **Wabash Valley Slim** for getting the range set up for the match.

Thanks to all the ROII-certified shooters who took turns running the timer, and to all the shooters who jumped in to help with all the other jobs of spotting, scoring, picking up brass, watching the Loading and Unloading tables. Thanks also to all those who helped tear down and clean up after the match. We cannot have a successful match without all the help. Thanks to everyone.

August Shootout

The shootout in August will be held on August 5, 2006, with sign up

beginning at 8:00am and the safety meeting beginning at 9:00am. The fee for this shoot will be \$10, \$5 for juniors (free with a paid adult). We plan on about five or six scenarios, and will try to get done by 1:00pm. Y'all round up about a few more shooters, and when we have 20, we'll split into two posses, and get done a little sooner!

Optional Target Side Match

Beginning shortly after 8:00am on August 5, we will give you an opportunity to see where your pistols shoot. 5 shots from each pistol on a 25-yard NRA Bullseye target, set at 15 yards. This will be shot one-handed, although cocking can be done with the off hand. We'll give about 30 seconds to get off 5 shots. Scoring will be Bullseye scoring. If you like this one, we will have a similar target shoot with the rifle at a future match (at 25 or 50 yards)

New Sign

I hope everyone noticed the new sign at the range. Thanks to Wally Wallace for building the frame, and to Rusty Hall for designing and painting the sign. There will be hanging signs announcing each of the types of matches we hold at the range, as soon as Rusty completed them all.

Centerfire Steel Plate Match

On Saturday, July 15, 2006, there will be a **Centerfire Steel Plate Match** at the **Little River Sportsmen's Association** Range. We will have five classes of weapons – **Unlimited Pistol** (semi-auto with scope/compensators – 10 round limit on mags), **Stock Pistol** (semi-auto

with open sights, no compensators – 8 round limit on mags), **Modified Revolver** (scopes/compensators), **Revolver** (open sights, no compensators), **Compact** (barrel length no more than 4 inches, open sights, no comps, 6-round limit on mags).

We usually limit competitors to 3 guns. Cost is \$10 (juniors \$5 or free with paid adult). Safety meeting begins at 9:00 sharp.

IPSC matches

Lee Ovaert, is running a modified IPSC match on our cowboy range on the 4th Saturday of each month, starting at 9:30am. The fee is \$15. He usually sets up five stages with a round count under 150 rounds (but not much less than 150). Get out that old 1911 or that old S&W revolver and come shoot another action-type match.

Happy Trails!
