High Ransom wins the August Shootout

The August 2006 monthly shootout was held on a hot, sunny, humid Saturday in South Georgia. With sunshine and temperatures climbing to the upper 80's, the shooting was fast and furious so the match could end by lunch time. All fifteen participants seemed to really enjoy the match, with the five interesting scenarios designed by **High Ransom**(VVC#13) and **Big Boyd**(VVC#2). With no knock-downs (a couple of shotgun targets seemed to think they were knockdowns – we had to go down range a few times to set them up or repair them) and no resettable targets, we were able to move fairly quickly through the match.

We had two new shooters ride in for this match – we certainly appreciate them coming – **Kanawha Kenny**, (who, after a couple of misses on the first scenario, finished strong -- second overall) and his son, **Kanawha Del**. Both of these cowboys were fun to work and shoot with.

It was good to see **Chickasaw County Kid** (VVC#06) after a couple of months. He finished a strong third overall.

Bank Floyd(VVC#18) and **Aucilla Fugitive**(VVC#17) showed us some fine shooting – the clean match shooters of the day.

Thanks to all those who came out and help set up the match -- **High Ransom**, **Wabash Valley Slim**, **Triple C**, **Cimarron Star**, and **Ethan Sackett**, for coming out on Friday afternoon and getting the range set up for the match. We had some clean up to do after a storm the week before. Thanks to **Chickasaw County Kid** for

cleaning up the debris in the jungle bay, and to **Wabash Valley Slim** and **Triple C** for the chain saw work in clearing the Saloon bay.

Thanks to all the ROII-certified shooters who took turns running the timer, and to all the shooters who jumped in to help with all the other jobs of spotting, scoring, picking up brass, and watching the Loading and Unloading tables. Thanks also to all those who helped tear down and clean up after the match. We cannot have a successful match without all the help. Thanks to everyone.

September Shootout

The shootout in September will be held on September 2, 2006, with signup beginning at 8:00am and the safety meeting beginning at 9:00am. The fee for this shoot will be \$10, \$5 for juniors (free with a paid adult). We plan on about five or six scenarios, and will try to be done by 1:00pm. Y'all round up about a few more shooters, and when we have 20, we'll split into two posses, and get done a little sooner!

New Sign

I hope everyone noticed the new sign at the range. Thanks to Wally Wallace for building the frame, and to Rusty Hall for designing and painting the sign. There will be hanging signs announcing each of the types of matches we hold at the range, as soon as Rusty completes them all.

Rimfire Steel Plate Match

On Saturday, August 19, 2006, there will be a **Rimfire Steel Plate Match** at the **Little River Sportsmen's Association** Range. We will have four classes of weapons – **Unlimited Pistol** (semi-auto with scope), **Stock**

Pistol (semi-auto with open sights), **Revolver** (open sights, no compensators), **10/22** (Ruger 10/22 – open sights – for junior shooters).

Match fee is \$10 (juniors \$5 or free with paid adult). Safety meeting begins at 9:00 sharp.

IPSC matches

Lee Ovaert, is running a modified IPSC match on our cowboy range on the 4th Saturday of each month, starting at 9:30am. The fee is \$15. He usually sets up five stages with a round count under 150 rounds (but not much less than 150). Get out that old 1911 or that old S&W revolver and come shoot another action-type match.

Rimfire Rhinestone Cowboy Match

September 30, 2006 – Cowboy steel targets – 22 semiauto pistol, one 10-round magazine – holster not required, 22 rifle (any repeater with 10-round capacity) and a single-barrel shotgun. Cowboy attire optional – these are rhinestone cowboys! Sign up at 8:00, safety meeting at 9:00. Fee \$10.00

Other Area Matches

- ? Fort White Cowboy Cavalry in Fort White, FL – 2nd Saturday of the month
- ? Fort White Rimfire Ruckus in Fort White, FL – 4th Saturday of the month

Happy Trails!
