Maverick Wayne wins the December Shootout

The December 2006 monthly shootout was held on a cool, sunny fall day – a perfect day for a Cowboy Shootout. With temperatures in the 50s and 60s, no one seemed to work up much of a sweat. The 21 shooters all seemed to enjoy the match, with several wrinkles in the scenario. Mrs. Claus dancing in the street, as a swinging hostage target seemed to give us all a difficult time – only **Papa Jake** shot this particular scenario clean. Having to carry a lantern from shooting position to shooting position on scenario 2 and having to load presents into the buckboard between guns on scenario two gave ample opportunity for procedurals. Most everyone successfully saved Miss Kitty in scenario four (she had to be carried on the person and never put down until the end of the scenario). And then, the Star (That was NOT the star of Bethlehem!) had to be engaged with the rifle in scenario five.

It was good to see **Sorgum** again. He has not lost his touch – a clean match except for that pesky Mrs. Claus dancing in the street! It was also good to see **Jimmy Sawbones** again.

Dixie Outlaw brought his grandson along again, and this young man helped out a lot by picking up brass and resetting targets all day long.

Thanks to **Kanawha Kenny** for bringing along two new shooters – **Buckeye Charly** and **Bodacious Banker** from the Ft. White club. It was also nice to see **High Plains Shifter** shoot his first cowboy match (and come in fourth overall, to boot).

Maverick Wayne came out on top for the first time this year, followed closely by **Ethan Sackett**. **High Ransom** finished third due to a squib load (that cost him 9 misses) and a procedural.

Thanks to **High Ransom**, **Dynomite Don**, **Maverick Wayne**, **Wabash Valley Slim**, and **High Plains Shifter** for coming out on Friday Afternoon and setting up the match.

Thanks to all the ROII-certified shooters who ran the timer and to all the shooters who jumped in to help with all the other jobs of spotting, scoring, picking up brass, resetting targets, and watching the Loading and Unloading tables. Many did two duties at once, making this match run very smoothly.

Thanks also to all those who assisted in tearing down and putting back in storage after the match. We cannot have a successful match without all the help. Thanks to everyone.

New Stage Prop

We were able to purchase the two-horse buckboard from a dealer in Moultrie. Thanks to **Maverick Wayne** for bringing it to the range on his trailer.

New Target Rack

Maverick Wayne showed up on Friday evening with a rack of six swinging targets. These became to elves dancing in the street with Mrs. Claus. We already have designs on more scenarios with these targets. Thanks Wayne!
