## Delta Glen wins October Shootout

What a spectacular day for a shootout. Although the sun shone on us all day, the temperatures were mild – reaching the mid 70's by lunch time. The cold front had passed through during the night, dropping a little rain, which followed some heavy showers on Friday afternoon. However, the range was dry, and we had no problems with either lateral or down-range movements that the scenarios required. Some of your shooters who traveled West and North came through some rain showers on the way to the match, but we remained dry all day.

Eleven cowboy shooters participated in the match. I believe this was the first match that **Macinaw** has shot in Valdosta. He is usually busy with the match in St. Augustine, but their range was somewhat under water, so their match was cancelled. It was great to have him with us. Thanks to **Light Load** for bringing him along.

We had some interesting stages – all required some movement – either laterally or downrange. One had six rifle knockdowns and a bonus dump target. These knockdowns were not too challenging. Another had four pistol knockdowns – now this was another matter. Even with 10 shots to get all four, a couple of us had a hard time getting them all to fall. A couple of stages had shotgun knockdowns with no required minimum for rounds. Several cowboys got eight knockdowns to fall with 4 shots!. **Wild Bill Jake** get three with one, but then had to use another 6 or 7 rounds to get the other 5!

There were no clean shooters for the match. There were no DQs of any kind!

**Delta Glen** was *Top Gun*, while **Big Country** and **Double A Adam** were *Second* and *Third Guns*, respectively.

**Top Category Shooters** for today's match were:

Wrangler – **Wild Bill Jake**  
49er – **Pappy Scattergun**  
Elder Statesman – **Light Load**  
Cattle Baron – **Ranger John Paxton**  
Senior Duelist – **Goliath**  
Gunfighter – **Macinaw**

Thanks to **Wabash Valley Slim** and **Goliath** for setting steel for the match. Thanks to those who helped to finish painting targets on Saturday morning and for help in getting the final setup done. Thanks to **Big Country**, **Delta Glen**, **Pappy Scattergun**, and **Light Load** for sharing the RO responsibilities and keeping the match moving along. Thanks to everyone for the other duties including picking up brass, and resetting targets, and policing the range and getting everything put away after the match, so that we could sit down to some Barbecue from Sam's Famous Barbecue.

The scores for this match are on page 2. Ranks are also on page 2.

## Prayer Posse

**Dynamite Don's** wife, Helen has been in the hospital. **Delta Glen's** wife is recovering from surgery. **Rolan Kraps'** son is having some health problems. Other cowboy friends who have health needs include **Wiggly Down Yonder**, **Bill Bonney**, and **L Topay**. Keep these and their families in your thoughts and prayers.
